Houston Young Professionals to “Serve the Thirsty”

Water Works to host sand volleyball and bags tournament to raise money for safe water in support of Living Water International

WHAT: **Water Works**, a community of Houston-area young professionals in support of Living Water International, will host **Serve the Thirsty**, a sand volleyball and bags tournament in support of communities in need in El Salvador. Water Works aims to raise \$20K through the event; all funds raised will go towards the building of a safe water well and a heavy-duty work truck through Living Water International.

This activity-focused event, held at **Wakefield Crowbar**, is the group’s second annual summer sports tourney and will include a 12-team sand volleyball tournament and a 16-team bags tournament. Prizes for winning teams include gift cards to Wakefield Crowbar and handcrafted sets of bean bag boards. Tickets may be purchased as “Spectators” – including access to a private room with other event perks– or as “Players” – allowing entry into either the volleyball or bags tournament and including all spectator privileges.

WHEN: Saturday, August 27, 2016
4:00pm – 7:00pm

Tickets are available for purchase at: bit.ly/ServetheThirstyPR

WHERE: Wakefield Crowbar
954 Wakefield Dr.
Houston, TX 77018

WHO: Water Works is a community of young professionals in Houston working together to support Living Water International in providing water through social events and volunteer opportunities. Together the group has raised over \$130K for safe water efforts around the world. For more information, visit www.water.cc/waterworks.

With 25 years of experience as a faith-based 501(c)(3), **Living Water International** (www.water.cc) exists to demonstrate the love of God by helping communities acquire

desperately-needed clean water through the implementation of participatory, community-based water, sanitation and hygiene solutions in over 20 developing countries across Latin America and Caribbean, Africa and Asia. The organization has completed over 17,000 water projects as part of their ongoing commitment to provide water, for life, in Jesus' name. Living Water's end goal is to see holistic behavior change by supporting the local church and equipping local people to serve their own communities. For more information, visit www.water.cc.
