

Living Water International Travel Insurance Policy & Services

Living Water International has partnered with Insurance Consultants International (www.MissionTripInsurance.com) to provide the TripArmor® Travel Protection Plan to each traveler with the additional travel services provided by International Medical Group Emergency Assistance Line.

TRAVEL ASSISTANCE SERVICES

In addition to insurance from a financial perspective, this plan includes services provided exclusively through TripArmor® which aid in the arrangement & facilitation of care during various emergencies.

Nurse Helpline - Registered nurses are available 24-Hours a day before and during your trip to provide general health information, clinical assessment, and health counseling to provide assistance in making appropriate healthcare decisions.

Medical Consultation and Monitoring - If you are hospitalized, we will contact you and your treating physician to monitor your condition to assure you are receiving appropriate care and assess the need for further assistance. We will also contact your personal physician and family at home when necessary or requested to keep them informed of your situation.

Medical Evacuation - When medically necessary, we will arrange and pay for appropriate transportation, including an escort, if required, to a suitable hospital, treatment facility or home. Payment for Medical Evacuation is available only for covered claims and up to the amount of coverage provided in the policy. All medical transportation services must be authorized and arranged by On Call. In the event of an unauthorized Medical Evacuation, reimbursement may be limited or coverage may be invalidated.

Non-Medical Emergency Evacuation - We will arrange and pay for the Non-Medical Emergency Evacuation Benefits if while on your trip, a formal recommendation from the appropriate local authorities, or the U.S. State Department, is issued for you to leave a country you are visiting on your trip due to: 1) a natural disaster; 2) civil, military or political unrest; or 3) your being expelled or declared a persona non-grata by a country you are visiting on your trip.
