A Charitable Gift Annuity (CGA) offers a unique opportunity to support Living Water International while ensuring a steady income stream for yourself. It's an ideal option for those who wish to give generously but also seek financial security throughout their lifetime.

## ***How CGAs Work:***

- 1. MAKE A CHARITABLE CONTRIBUTION:** Fund your CGA with a gift to Living Water International, which may include cash or publicly traded securities. Part of your contribution is tax-deductible.
- 2. RECEIVE FIXED PAYMENTS:** Enjoy fixed payments for life, which can be distributed monthly, quarterly, or annually, directly into your bank account.
- 3. SUPPORT LIVING WATER INTERNATIONAL:** Your gift supports our mission to provide clean water and transform lives during your lifetime. After your passing, the remaining value of the CGA will continue to benefit our organization.

## ***Advantages of a Charitable Gift Annuity:***

**SIMPLICITY:** CGAs are straightforward and easy to arrange, providing a hassle-free way to give and receive.

**SECURITY:** Enjoy the peace of mind that comes with receiving a reliable, fixed income for life.

**TAX BENEFITS:** Receive an immediate income tax deduction and enjoy a portion of your fixed payments being tax-free for the duration of your life expectancy.

**PEACE OF MIND:** Support Living Water International while ensuring you live comfortably and securely.
